

A Christmas Carol

By
Mariangela Costanza

Hey, long time no see Scrooge!

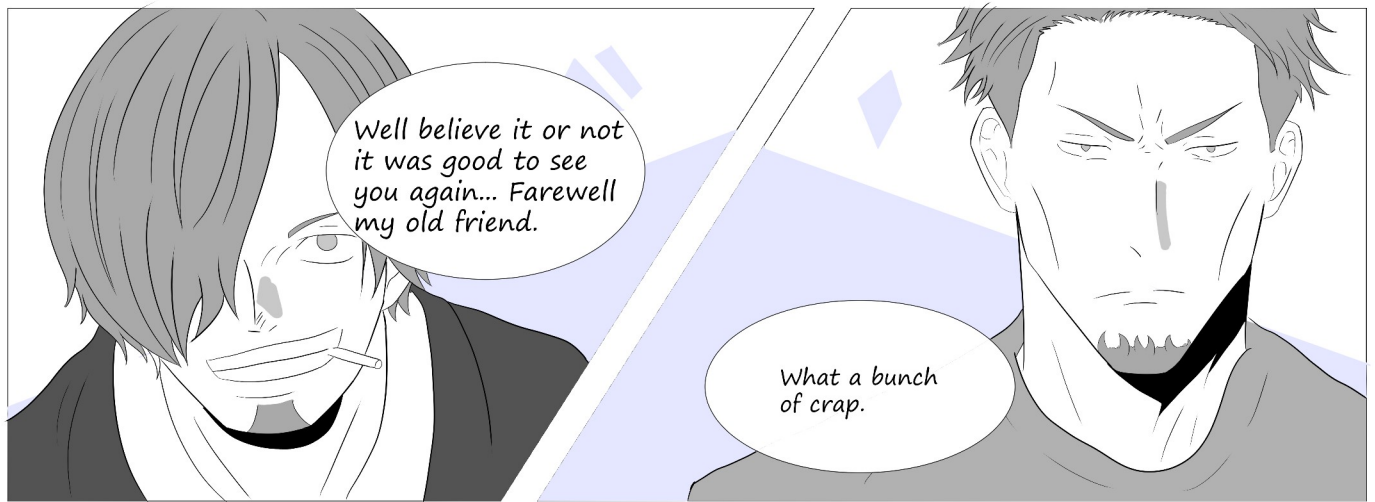

Marley? Is that you?
You're Alive?

wait, no
You got me wrong...
I'm not alive.
I'm actually a ghost.

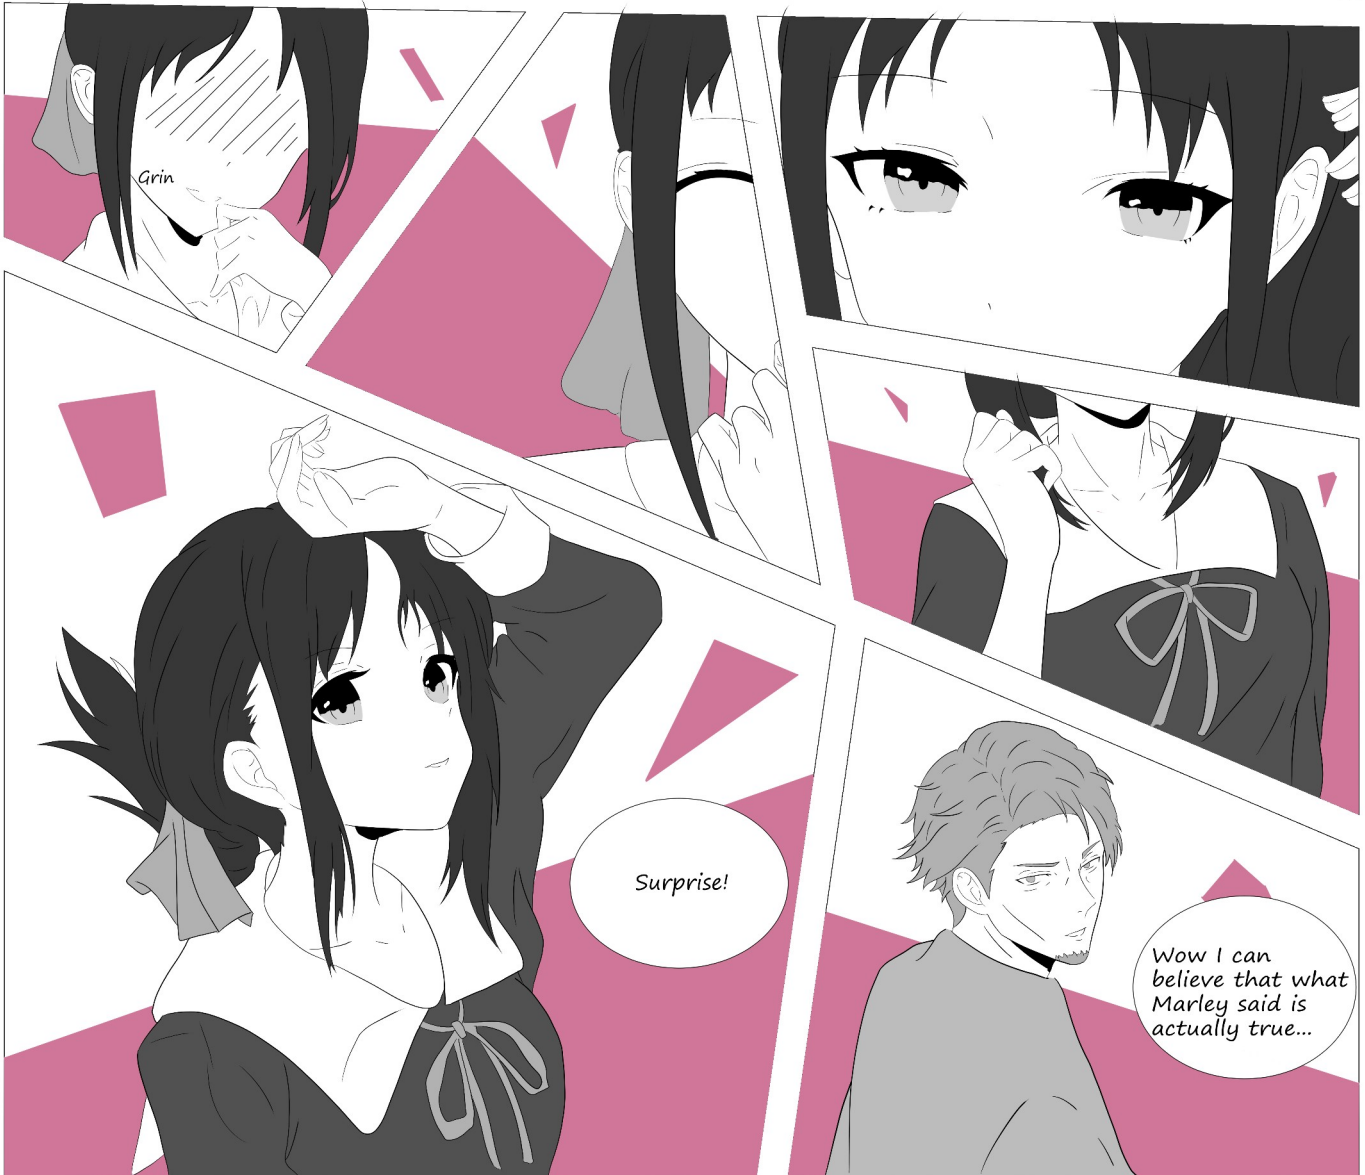

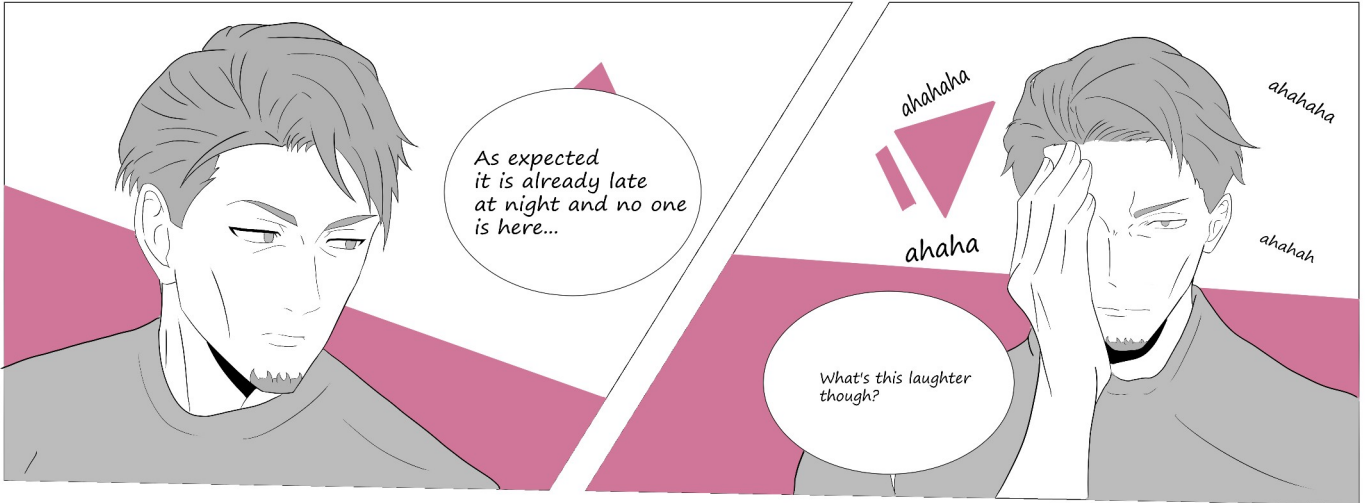

What?

I need to explain you a few things...
For the next three nights
a different ghost will appear
in your room.

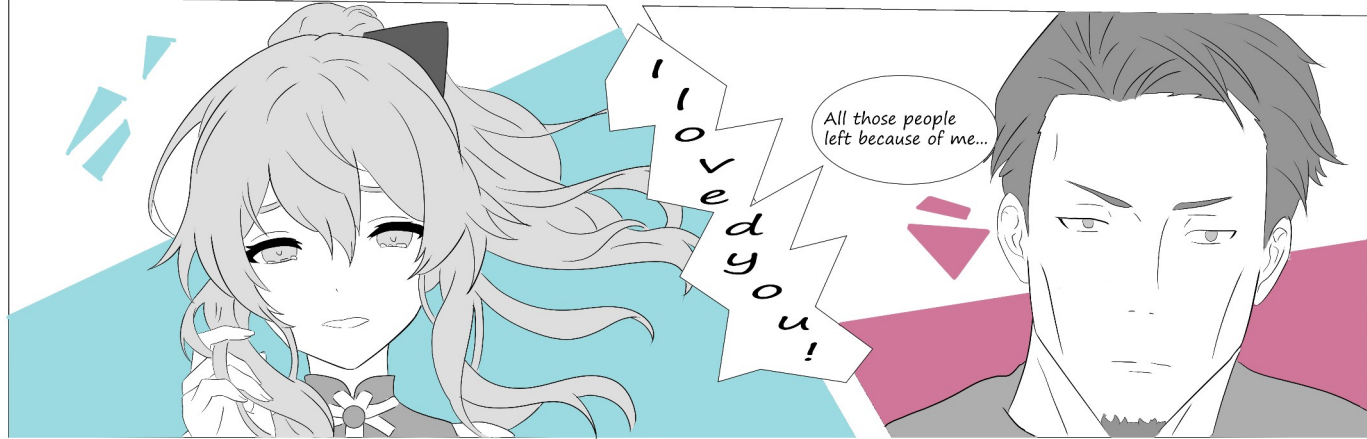

Well believe it or not
it was good to see
you again... Farewell
my old friend.

What a bunch
of crap.

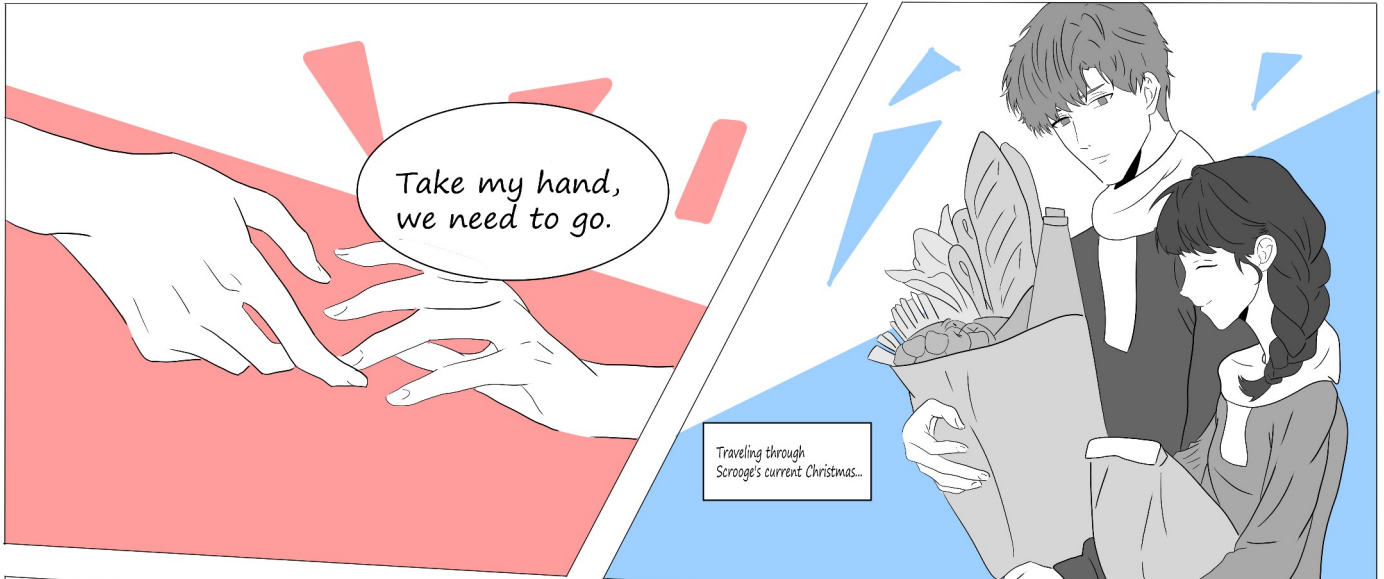

Traveling through
Scrooge's past Christmases

Now grab my hand
dear Mr. Scrooge.
We've got to see
lots of things.

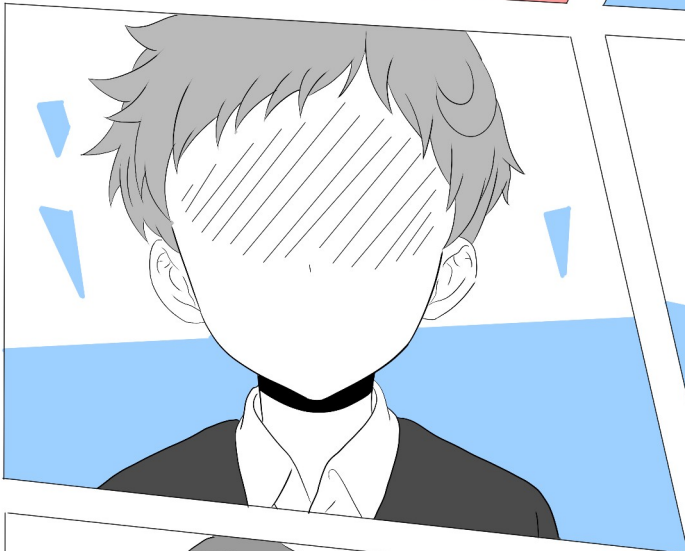

Take my hand,
we need to go.

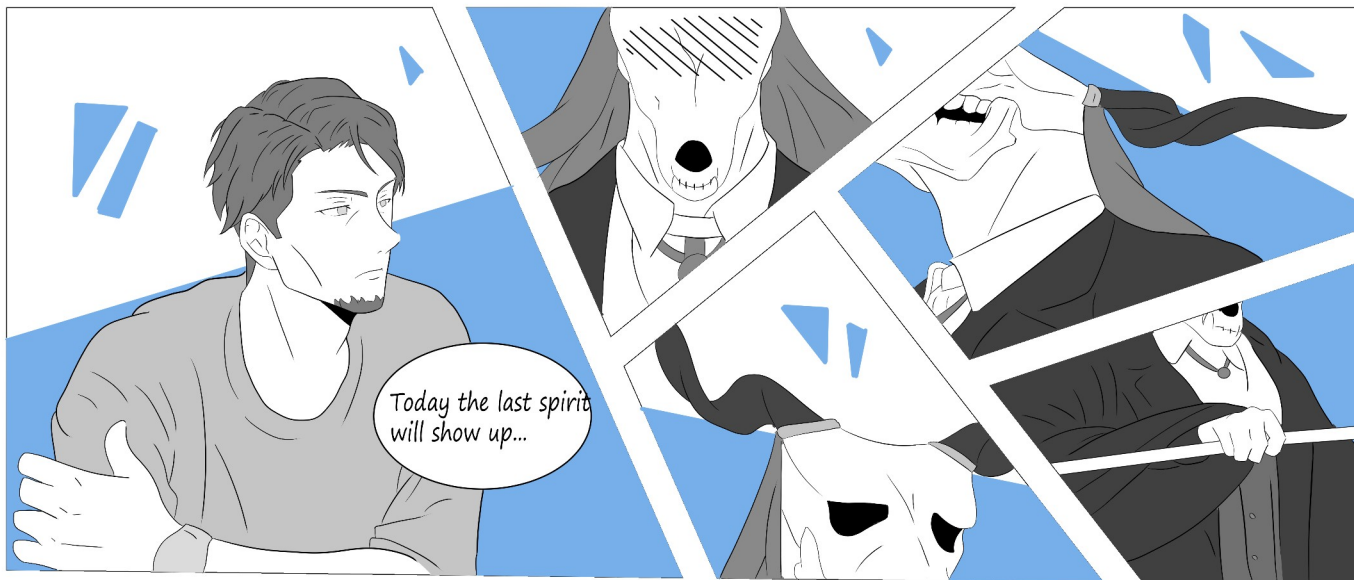

Traveling through
Scrooge's current Christmas...

Wait a minute...
Why can't I see
tiny Tim's face?

Don't worry...
You'll discover it
soon.

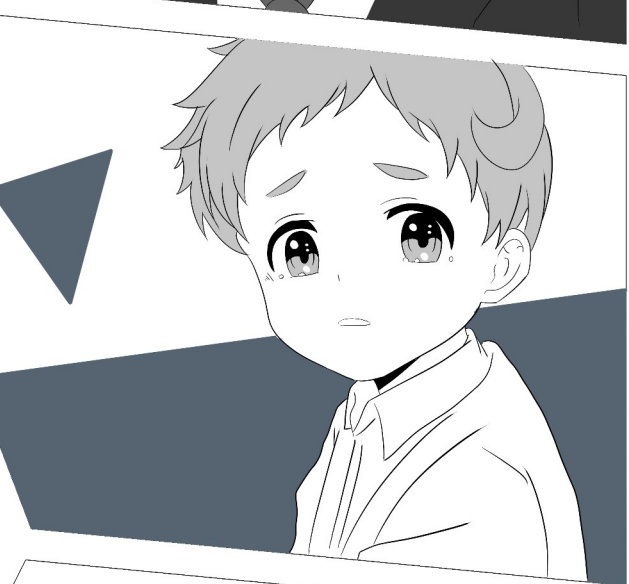

Show me...
I learnt a good
lesson last time...

...

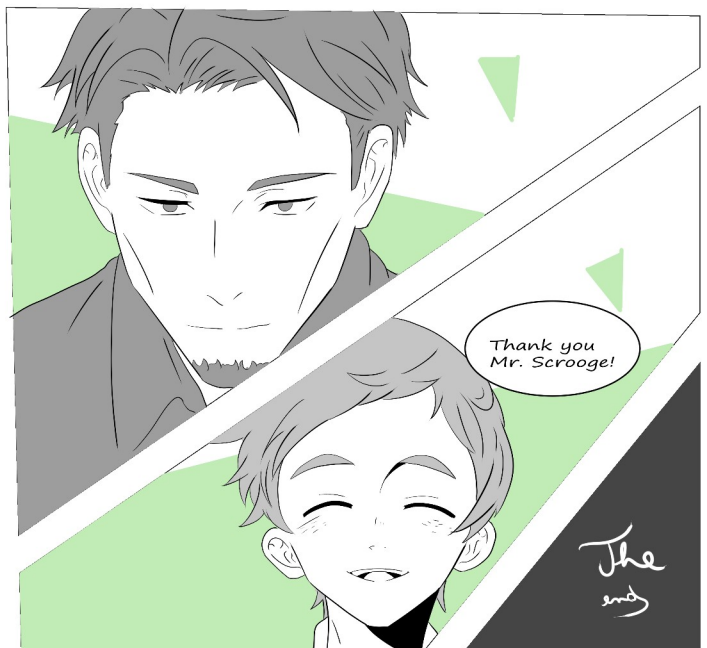

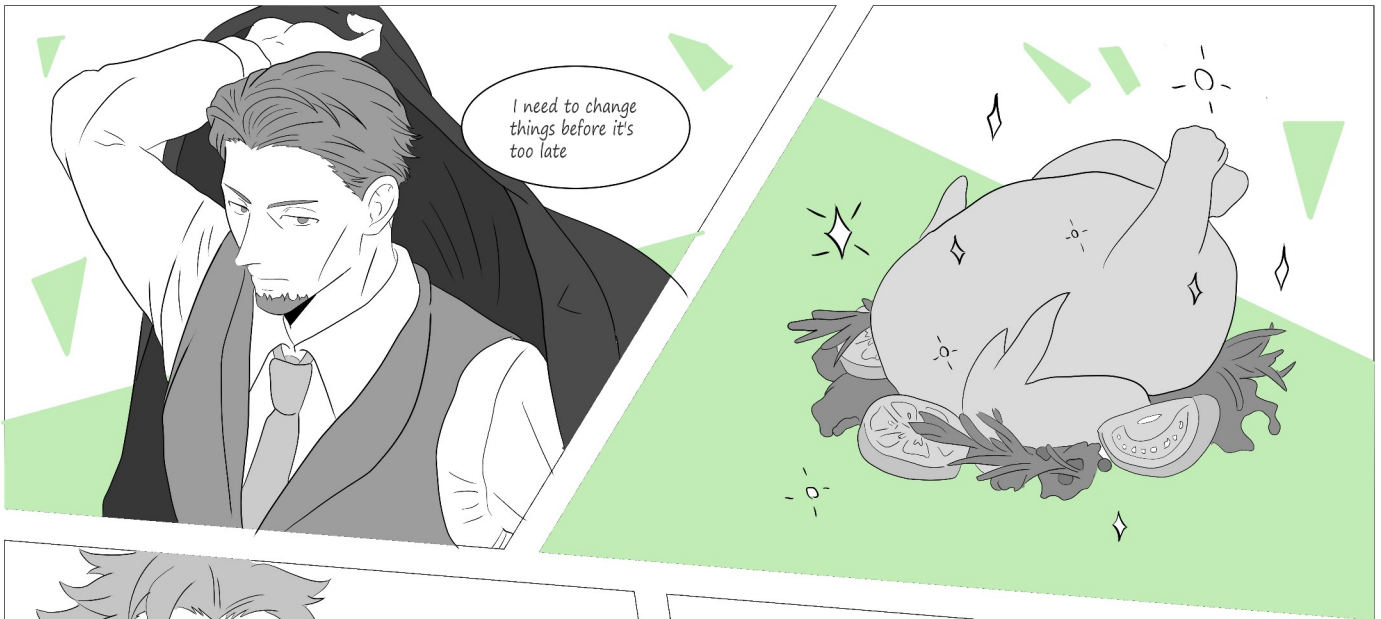

Traveling through
Scrooge's Future Christmas...

No this
can't be...
Me and tiny Tim
will die soon...

I can't die without
someone that will
remember me forever.
I need to change this!
